

AUSTRALASIAN GROUNDWATER CONFERENCE

21 - 23 November 2022

Perth Convention and Exhibition Centre, WA

Science, Resilience and Adaptation

INDIGENOUS TRAVEL GRANT ASSESSMENT CRITERIA

A limited number of Travel Grants of up to \$2000 are available to assist with travel and accommodation for Indigenous presenters at the AGC 2022. In some cases, where appropriate, some support may also be provided for conference registration. Applications must be received by 30/08/2022 to be considered for funding.

The AGC 2022 Indigenous Travel Grants will be awarded on a case-by-case basis in accordance with the criteria set out below. The Indigenous Travel Grant is funded from a limited funding source and the assessment of all Indigenous Travel Grants will be made collectively, with the aim to maximise participation from Indigenous representatives where possible.

ASSESSMENT CRITERIA AS FOLLOWS:

1. The applicant must have submitted, and received acceptance, of an abstract at AGC 2022;
2. The applicant must identify as an Indigenous person from any country in the IAH Australasian Region and, where applicable, have sufficient cultural connection to represent the specific Indigenous group(s) they aim to represent;
3. Applications that include co-contributions from the applicant's respective organisations are strongly encouraged;
4. Applicants from organisations that do not specifically represent Indigenous people or groups should outline why their organisation is unable to fund the participation of their applicant, including outlining what internal grant or support systems are available to their Indigenous staff or students;
5. Applications from non-Indigenous co-presenters from organisations that do not specifically represent Indigenous people or groups do not qualify for an Indigenous Delegate Grant at the AGC 2022.
